VERY GOOD

Area inspected by food safety officer

Standards
found

Hygienic food handling

Hygienic handling of food including preparation, cooking, re-heating, cooling and storage

Very good

Cleanliness and condition of facilities and building

Cleanliness and condition of facilities and building (including having appropriate layout, ventilation, hand washing facilities and pest control) to enable good food hygiene

Very good

Management of food safety

System or checks in place to ensure that food sold or served is safe to eat, evidence that staff know about food safety, and the food safety officer has confidence that standards will be maintained in future

Very good
